

RESOLUTION NO. 07-0700
July 24, 2000 – 292nd Board Meeting
SUBMISSION OF CERTIFICATE OF POTABILITY OF WATER

RESOLVED, AS IT IS HEREBY RESOLVED, that Applicants should be required to submit the standard format of the Department of Health Certificate of Potability as well as the NWRB Result of Water Analysis of water per source duly certified by the proper Municipal Health Officer. The required certification should be valid from the time of the filing of the application for CPC and other related applications up to the approval hereof and subject to such other requirements as the Board may deem necessary.

RESOLVED, AS IT IS HEREBY FURTHER RESOLVED, that only bacteriological analysis of water will be required for monthly submission by those with subsisting CPCs.
