

RESOLUTION NO. 922
March 27, 1978 – 92nd Council Meeting
OPERATION RULE FOR THE MAGAT-PURPOSE RESERVOIR

RESOLVED, AS IT IS HEREBY RESOLVED, to adopt the operation rule for the Magat-Multi-purpose Reservoir as follows;

1. The reservoir will be operated primarily for irrigation
2. However, during times when little or no release from the reservoir is required for irrigation, a firm power of 25 MW average continuous monthly will be made available to NPC by power release from the reservoir.

RESOLVED FINALLY, that the responsibility for the actual operation of the Magat Reservoir be given to the NIA in close coordination with the NPC.
